

Camille Foor

Aurora University
Academic Advisor

Hello! My Name is Camille Foor and I am your Success Coach at Aurora University. I am here to help you through this term as you work to reach your academic goals. I will be happy to help you with any questions you may have regarding your institution, advising, or any day-to-day issues regarding your courses. I will be here to help you navigate and problem-solve your way through your program.

I graduated in 2006 with a degree in English from The Master's College in Santa Clarita, Ca. I have enjoyed working in different areas of education and recently returned to school to complete graduate work that will help me further my education and career development. I can fully relate in the struggle to find balance in life between work, family, and further education. Hopefully, some of my trial-and-error experiences can help encourage you in your educational journey.

Apart from my passion for education, some of my hobbies include reading, running at the Y, biking around our small downtown area, and trying as many recipes from my new favorite cookbook, *The Smitten Kitchen*. My husband and I love opening our home and front porch to people and it is a rare week when we don't have someone over for dinner.

I am really looking forward to speaking with you and getting to know you and your academic needs over this term. If you have any questions, big or small, please do not hesitate to call me. It is a pleasure for me to be of any help I can to you during this process.
