

PoodLL Documentation

To be added to the existing Assignments settings document

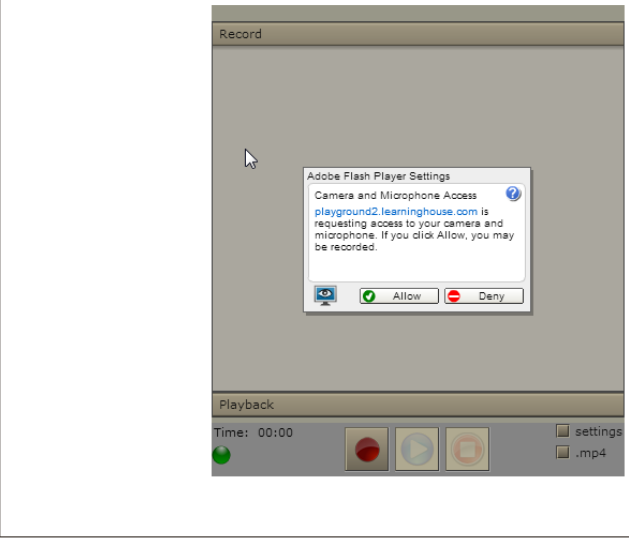

Steps/Description	Screen Shot
<p>In the Submission settings section, you may add PoodLL submission elements.</p> <p>When enabled, PoodLL allows students to do add one of the following to the assignment:</p> <ul style="list-style-type: none">• Audio recording• Video recording• Snap a picture• Whiteboard drawing <p>Select Yes in the Online PoodLL setting if you want students to submit any one of the PoodLL elements as part of the assignment.</p> <p>In the PoodLL Rec. Type drop-down menu, select the method of submission students will use: Video Recorder, Voice Recorder, Snapshot, or Whiteboard. The student will submit these as a part of the submission page.</p> <p>If you want the recordings to be time limited, enter the maximum time allotted for student recordings for this assignment in the PoodLL Rec. Time Limit field.</p>	 <p>The screenshot shows the 'Submission settings' interface. It includes the following elements:</p> <ul style="list-style-type: none">Online PoodLL: A toggle switch set to 'Yes'.PoodLL Rec. Type: A dropdown menu set to 'Video Recorder'.PoodLL Rec. Time Limit: A text input field with '0' and a 'minutes' dropdown.PoodLL Whiteboard: A section with a 'Back' button and a large grey rectangular area representing the whiteboard.PoodLL WhiteBoard Size: A dropdown menu set to '320x320'. <p>A red lightbulb icon labeled 'Tip' is positioned to the right of the settings. A blue box with a red border contains the following text:</p> <p>The ability to set the background image of the whiteboard presents an opportunity for instructors interested in asking students to identify items or label an image as part their coursework. Upload the image in the background and instructions in the assignment description on how to complete the whiteboard activity.</p>

PoodLL Documentation

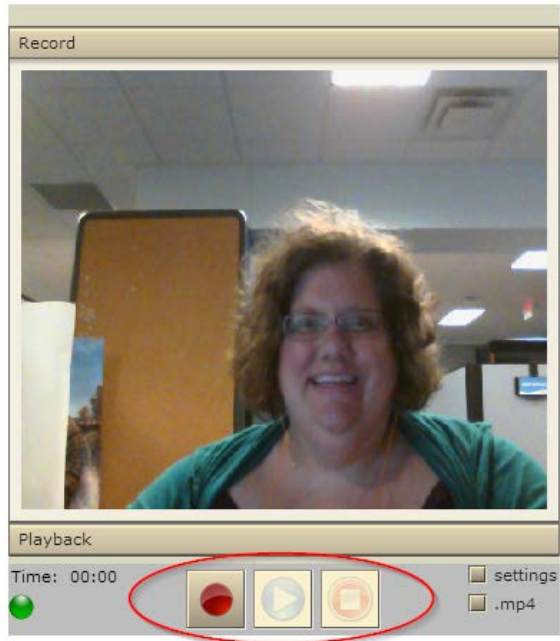

Steps/Description	Screen Shot
<p>If you select Whiteboard as the input method for student submissions, the PoodLL Whiteboard Back field will allow for a file to be uploaded as the background image for the whiteboard.</p> <p>To upload a background image, locate the image file on your computer and drag it to the Files box.</p> <p>You may also select the PoodLL Whiteboard Size. The options available are:</p> <ul style="list-style-type: none"> • 320x320 • 400x600 • 500x500 • 600x400 • 600x800 • 800x600 	 <p>The screenshot shows the 'PoodLL Whiteboard Back' field with an 'Add...' button circled in red. Below it is a 'Files' upload area outlined in red. At the bottom, the 'PoodLL WhiteBoard Size' dropdown is set to '320x320'.</p>
<p>In the Feedback settings section you may elect to leave audio feedback for students.</p> <p>To enable this, select Yes for Feedback PoodLL and then select MP3 Voice Recorder as the PoodLL Recorder Type.</p>	 <p>The screenshot shows the 'Feedback settings' section with the following options:</p> <ul style="list-style-type: none"> Feedback comments: Yes Offline grading worksheet: No Feedback files: No Feedback PoodLL: Yes (highlighted in yellow) PoodLL Recorder Type: MP3 Voice Recorder (highlighted in yellow) Show download link: no

PoodLL Documentation

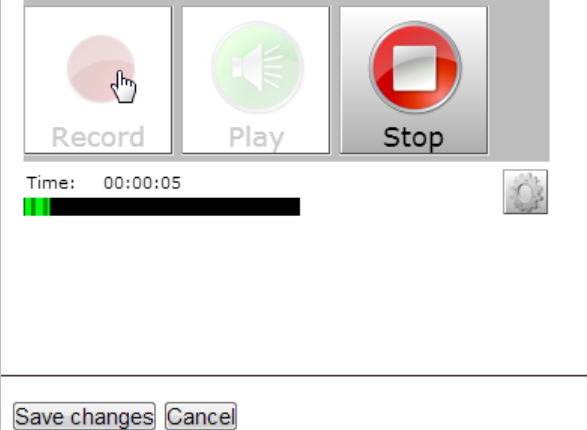

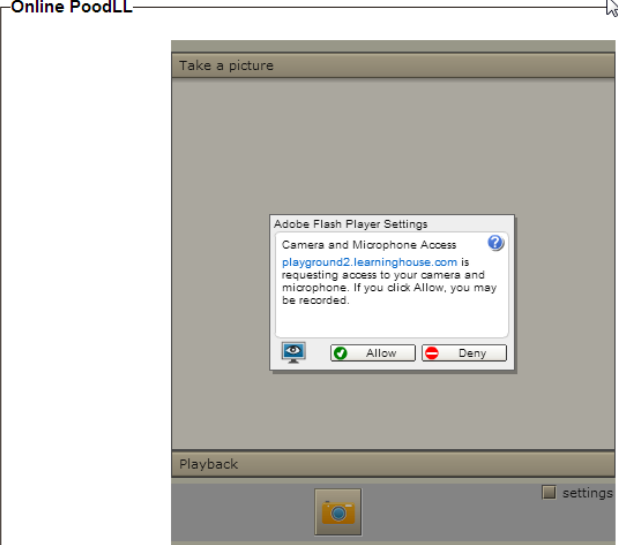

To be added to the existing Assignments students perspective documentation

Steps/Description	Screen Shot
<p>When students access the assignment with a PoodLL video recording submission requirement, they must click Allow to permit the recorder access to their camera and microphone.</p>	<p>Online PoodLL</p>  <p>Tip</p> <p>Because the PoodLL video recorder records in a Flash video file, this will not be accessible on iOS mobile devices.</p>

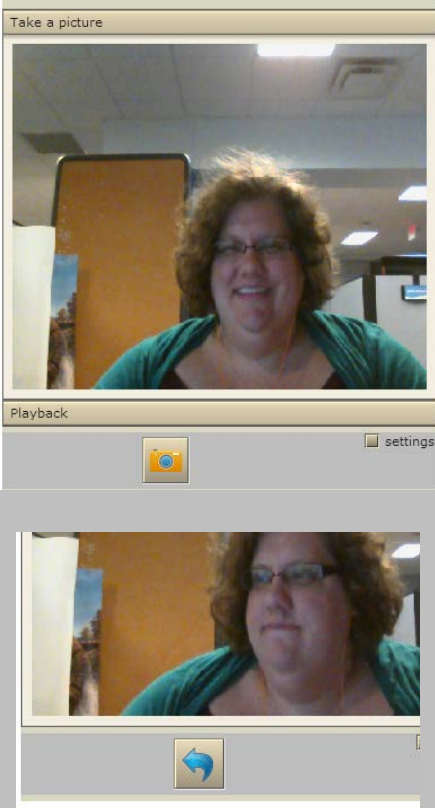

PoodLL Documentation

Steps/Description	Screen Shot
<p>Students will click the red record button to begin recording, the square stop button to the right to stop recording, and the center play button to play back the recording. Students may alter settings of the recording by clicking the settings button.</p> <p>Students may need to wait several seconds or minutes for the recording to upload to the server before saving the video for submission.</p> <p>Once they are satisfied with the recording, students will click the Save changes button at the bottom of the page.</p>	
<p>When students access the assignment with a PoodLL audio recording submission requirement, they must click Allow to permit the recorder access to their camera and microphone.</p>	<p>Online PoodLL</p> 

PoodLL Documentation

Steps/Description	Screen Shot
<p>Students will click the red record button to begin recording, the square stop button to the right to stop recording, and the center play button to play back the recording. Students can also alter settings of the recording by clicking the settings button.</p> <p>Students may need to wait several seconds or minutes for the recording to upload to the server before saving the video for submission.</p> <p>Once the student is satisfied with the recording, click the Save changes button at the bottom of the page.</p>	
<p>When a student accesses the assignment with a PoodLL audio snapshot submission requirement, they must click Allow so the recorder has access to their camera and microphone.</p>	

PoodLL Documentation

Steps/Description	Screen Shot
<p>Students should click the image of the camera at the bottom of the screen to take the picture.</p> <p>To retake a picture, click the blue left arrow.</p> <p>Once the student is satisfied with the recording, click the Save changes button at the bottom of the page.</p>	 <p>The top screenshot shows a window titled "Take a picture" with a video feed of a woman. Below the video is a camera icon and a "settings" button. The bottom screenshot shows a window titled "Playback" with a video feed of the same woman and a blue left arrow icon.</p>

PoodLL Documentation

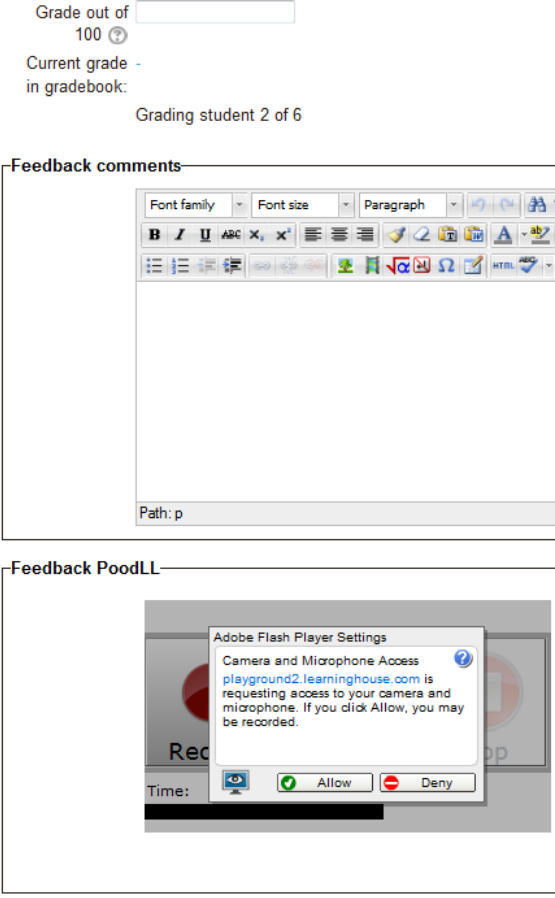

Steps/Description	Screen Shot
<p>Using the Whiteboard tool, students will see either a blank white background or the image they have uploaded.</p>	
<p>Students may draw or write on the image as they wish using 64 colors and eight size options. They may use the easel button to clear the screen entirely, and the green arrow button to remove the last piece of their drawing.</p> <p>When satisfied with their submissions, students should be directed to click the Save button at the bottom of the page (pictured below in the red circle). Clicking the Save button in the Whiteboard tool will not save the image for the assignment.</p>
