Financial Aid Office

Financial Aid Checklist

Complete the Free Application for Federal Student Aid (FAFSA)

- Get started on filing your FAFSA by requesting a Personal Identification Number (www.pin.ed.gov). Completing the FAFSA (www.fafsa.ed.gov) as soon as possible to maximize your eligibility for state and federal financial aid. Be sure to list Claflin's school code, 003424, on the FAFSA. The FAFSA form is the only financial aid application that Claflin requires. A FAFSA must be completed every year that a student is in college.

What are the different types of financial aid?

- By completing the FAFSA, you are applying for all Federal Title IV programs including the Federal Pell Grant, Federal Supplemental Education Opportunity Grant, Federal Work Study, Federal Perkins Loan, Federal Stafford Loans (Subsidized and Unsubsidized) and Federal Parent Plus Loan. It may be offered separately or in combination.

Is there a deadline for applying?

- We recommend that your application be submitted no later than the priority deadlines set, which are April 15th for the fall semester, October 15th for the spring semester and March 15th for summer session. It is important that you complete the financial aid application process early so that your award will be in place prior to registration deadlines and to avoid processing delays.

Follow-up with any necessary paperwork and forms

- All students who file a FAFSA are selected at random by the federal government for review in a process called verification. If you are selected for verification, you will be notified by the federal processors by email and then by Claflin's Office of Financial Aid with a letter. Be sure to turn in all of the requested documents so that the financial aid process can be complete.

Let us know about any special circumstances you and your family may face

- If you and your family experience any unusual circumstances that will have an impact on your finances such as divorce, death of a parent or loss of employment, please let us know. Contact our office for more information about these circumstances.

Check out your financial aid package

- Once your financial aid package is complete, you will receive an email with your tentative financial aid award letter attached. At that time, you will be able to accept or decline each of the financial aid options available to you and seek out other loan options, as well.

Need help? Contact us

- The Office of Financial Aid is always willing to assist with any questions that you may have about affording a Claflin education. We can be reached Monday-Friday from 8 a.m.-5 p.m. at (803) 535-5334 or during extended hours on Tuesdays and Thursdays from 8 a.m.-7 p.m. You can also e-mail us at financialaid@claflin.edu

5. If you need to find a journal article, we recommend searching either EBSCO Host databases or JSTOR (the arrows lead to the icon you need to click to reach that database).
6. When you click on either of these database icons when you are not on Claflin's campus, there will be a yellow pop up window (you will have to be in a web browser that has pop-ups enabled) that looks like this:
7. This window lets you verify that you are a Claflin Student. In the Claflin Username, enter your Claflin email but leave off the "@claflin.edu" Example: If my Claflin email is tperson@claflin.edu, I would enter **tperson** in the box for Username.
8. For Password, enter the same Password that you use to log into your Claflin Email. If that password has changed or expired, you need to speak to our IT Department. Their phone number is 803-535-5767.
