

Instructions to Reset Your Moodle Password

If your Moodle password doesn't work, click "forgotten your username or password", type your Claflin email address and a temporary password with instructions will be sent to your Claflin email inbox. If you can't access your Claflin email, dial 803.535.5676 or 803.535.5441.

Click forgotten your username or password?

Enter your Claflin email address.

Then check your Claflin email account for the instructions and temporary password. If you don't receive the reset password

email, ensure that your email inbox isn't full. If your inbox is not full, dial 800.985.9781 Moodle Tech Support for assistance. If your inbox is full, permanently delete messages that are not important to you.
