BigBlueButton o.8b Student Guide Enabling Video

Enabling Video

Step	
1. You may enable video by clicking the webcam icon once you are inside the activity. The ToolTip for this icon is Share My Camera .	
2. You may select the camera and adjust its settings before publishing to the activity.	
3. Click the Start Sharing Webcam button to publish your video feed to the activity. All videos will be displayed in the Video dock .	
Click the X in the upper-right corner to close out of a person's video feed.	

Note

The available cameras and settings vary depending on what devices you have connected to your computer.

Tip

It is recommended that you keep the default settings.

Note

If you click **X** in the **Video dock** block, your video feed will close. click the **Share my camera** button to start the feed again if you close your video feed.
