

Mahara 1.5 Student User Guide Submitting an Assignment

Submitting an Assignment

Title Page 2 of 4

Note

You are submitting the <u>PAGE</u> as your assignment, so for each assignment, you will create a page in Mahara, upload your file to the assignment's page, and then submit the page in Moodle.

If you have not created an assignment page, you must complete the steps of Creating a Page and then come back to Submitting an Assignment as the last step.
